These books will be available over numerous websites in PDF, pub or zip files. Timeline for studying old NCERT Books There is no finite timeline suggested for completion of the NCERT books. How to read effectively from NCERTs? NCERT books are the most basic books and are written in very simple language marking a neutral perspective towards the very event. Not only for UPSC but when you prepare for Staff Selection Commission exam, you still need to study NCERT books. It is a time-consuming task, and the results are uncertain. If you are planning to take up subjects related to humanities as your optional subject and you haven't read them before, then studying these books will benefit in your optional paper as well. You can download these books in the PDF format which relieves the user from the hassles of downloading the irritating zip or epub formats. You just need a fair internet connection sped and then just a click and the file get downloaded on your laptop, desktop or mobile. Writing an academic paper may be difficult at times. You may doubt whether you essayshark.website have made the right choice or whether you should have written the other paper. Study your NCERTs in such a way that the entire syllabus can be revised in 7 to 8 hours. Apart from old NCERT textbooks, the website also offers PDFs for other standard books, NCERT solutions, exemplar books and their solutions etc for an effective study. You can download old NCERT books from NCERTBooks.guru for free of cost. We know that NCERT forms the basis of preparation for your dream job and the most prestigious career. NCERTBooks.guru offers no redirects and requires no login or signup to download. Contents are also less on many websites. The information provided in these books is accurate, true and in depth. If you are a really intelligent person, you will be able to complete all NCERTs in 1.5-2 months. But being an average student, you will be completed in 2-3 months time. After 4-5 iterations you will automatically reach the desired level of competency. Another problem is writing essays on topics you don't understand very well. Just a single click and you can download your copy of old NCERT book. Most of the users end up in downloading either a Trojan or virus. You need to study them till you feel that all your concepts have been cleared and you have started to memorize the concepts and dates. But you cannot trust every website blindly, for knowing more about the social sciences, the old NCERT books really help. You can either start with subject wise preparation by taking one subject at a time or you can start preparing for all subjects together. All the beginners or the new aspirants often ask the same question about why to prefer NCERT books especially the old NCERT books when there are hundreds of standard and advanced books available along with online material? Many other competitive exams also follow NCERT books as it not only solidifies your base but also makes you score well in these exams. The factual knowledge becomes important at this stage along with some contextual memory. When you are in your second reading, make sure that you learn and memorize the underlined things. There are many websites which redirect the user to some other download location and just makes money by the click count. All the maps, mountains, rivers, passes etc should be on your tips. Class 11 NCERT book for Art and culture book is sufficient to study for the GS paper as well. The first option is to go offline i.e. in your markets or issue them from the college library or city library. You need to study NCERTs for classes 6, 7, 8, 9, 10, 11 and last but not the least class 12. Now forget the books and totally focus on your notes. The books developed and distributed by the National Council of Education, Research and Training, are unbiased and well articulated. There are two ways by which you can have access to NCERT old books. How to get NCERT old textbooks? This leaves the user or the aspirant frustrated and demotivated. Along with it, the process of redirection and clicks takes up a lot of time. The second option is the most recommended one, which is downloading these books online. You can only answer them if you have a thorough and deeper understanding of the concepts. Old is Gold Old NCERTs were full of factual information and in-depth knowledge. The website is 100% reliable and offers an easy to use interface for the users. Revise your notes every fortnightly. Finding these books is a daunting task as these books are limited but the numbers of students are more. It takes a considerable amount of time (more than 3 or 10 hours) to figure out what exactly you should do, such as conducting a research, creating an outline, and then writing a draft. Then, where should I download the old NCERT books? The best way of studying with NCERTs is: Underline what you feel is important in your first reading. There are some old NCERT textbooks which offer the most comprehensive material for the aspirant's preparation such as old NCERT book of Geography (class 11 and 12) and History NCERT (for classes 10 and 11). When you study History, the main thing which matters is the memorization of the timeline. But in the case of science and maths, you should prefer new books only as they cover all the advancements covered over the years. We have conducted ample and high-level online research work and have brought to you the finest collection of Old NCERT Books resources exclusively for our users. The newer NCERT aren't recommended for some subjects such as Geography, polity, art & culture and History. You can easily make factual notes out of these books, especially for history, economics, and geography. Selina Publishers Concise ICSE Solutions Another reason why NCERT books are important is that when you write the UPSC mains examination, your writing style should correlate with the NCERTs. Every year around 30% questions are directly asked from the NCERT textbooks. Why old NCERT books are important? If they don't have the books, then again you have to check with other stores. You can start with whatever suits you the best. There are lots of problems that any student might face, such as lack of time. These books should be mugged by every candidate. All these thoughts can hinder your full concentrate on writing. When you study from Polity NCERT textbook then make sure that you make all the notes accordingly. Now moving on towards your final reading, make notes of your underlined things, this website offers the easiest way to download the old NCERT Books. Click on the link below to get your own copy of old NCERT book PDF. While studying the Geography NCERT consider old NCERTs as the Holy Grail. The new books, especially for geography and history, cover lesser data than the older books. The old NCERT books offer more in-depth knowledge than the newer ones. The new NCERTs certainly are good when you study science and mathematics but regarding social sciences, old NCERTs are preferred. The newer NCERTs follow the interactive mode of learning. Always remember that finishing a book does not declare the things done until and unless you remember everything and are able to recall them in your mains and prelims. Your hard work is the ultimate key towards your success. NCERTs prepare your base towards a solid preparation for UPSC examination. It often happens that a student has to complete several papers at the same time and do so before the due date.
